The PhotoBooth!

What a great way to bring joy, fun and excitement to your party! The PhotoBooth does all of that and more. We’ve taken the fun of a traditional vintage PhotoBooth and merged it with new digital technology to bring you a one of a kind experience that adds fun and excitement to your party. Be it a wonderful Wedding Reception, a formal Black Tie event, reunion or birthday, the PhotoBooth will make your event the most remembered, most exciting and most fun!

Easy To Use

The PhotoBooth is completely automatic! Just sit down, press the button and you’re on your way to fun! It even talks you thru each picture… Amazing! A Live Preview feature, exclusive to the PhotoBooth, lets you see your photo just before it’s taken. Great for expressing yourself! Our special and exclusive dual screen allows everyone to see the fun—inside and out!
